1. Document Title: Larimer County Board of Commissioner's consideration of adoption and ratification regarding the State of Colorado Department of Human Services Contracts'
Submitted by: Melissa Farr, Senior Administrative Specialist
Department: Commissioners' Office
Description: The State has entered into a contract with the TALX Corporation, a provider of Equifax Verification Services (EVS), for the use of The Work Number by county human services departments statewide. This contract allows the counties to participate, with the State acting as a pass-through entity, to benefit from bulk pricing on income verification from The Work Number. This document was executed on June 30, 2026, due to its urgent nature. Had the contract not been executed by that date, the statewide program would not have been able to be implemented and all Colorado counties would have been affected.
Term: July 1, 2026 through June 30, 2027
Named Parties: Colorado Department of Human Services Office of Economic Security Division of Economic And Workforce Support and Larimer County
Total Dollar Amount: \$458,075.00
