Discussion Items

Discussion Items enable the Board of County Commissioners to receive information, conduct deliberations and take necessary actions as directing staff or making official decisions. If a hearing to receive testimony from the public is planned for any discussion item, the agenda will list the item as a hearing.

1. Objective/Subject: Consideration of a resolution referring a sales and use tax proposal to Larimer County voters on the November 3, 2026 ballot, regarding funding to support community resilience and other important community needs.
Submitted by: Jennifer Infeld, Paralegal
Department: County Attorney's Office
Summary of Problem/Issue/Request: If the Board approves this resolution, it will place a question on the November 3, 2026, general election ballot asking Larimer County voters whether they approve a new 0.3% sales and use tax. The resolution describes a variety of public purposes that would be funded by the tax if it is approved by voters, for example: forest health, drinking water source area protection, wildfire and other natural hazard resilience, support for county bridges, roads, recreational lands, public benefit programs, and public facilities like the Justice Center, and other present and future community priorities and needs.
