WORK SESSION

1. Discussion Item: Quarterly Update regarding 2019-23 Strategic Plan

Item Description: The County has adopted three goals under the 2019-23 Strategic Plan. Each of the goals includes several objectives that will address needs in the community to move us closer to our vision of being a great place to be; an innovative community to live, work, and play for everyone. Generally, the goals and their associated objectives address: 1) physical infrastructure, 2) programs and services, and 3) evolving county government for future needs. This quarterly update will include a status report on the Goals and Objectives and seek direction from the County Commissioners to advance work on the plan.
