WORK SESSION

1. Discussion Item: Judicial Needs Study

Item Description:

In August 2021, The Board of County Commissioners asked the Facilities Department to move ahead with a study to confirm the short- and long-term space needs of the 8th Judicial District. The project team received and compiled input primarily from the 8th Judicial District, the District Attorney's Office, and the Sheriff's Office. The study is complete and ready to share with the BoCC. It includes options the County may consider as next steps toward an eventual capital construction project.
