DISCUSSION ITEMS

1. Jessica Plummer presented a review of the [2025 work product for the Impact Fund Grant Program](#) including details of proposed administrative changes for the year. Jessica concluded the presentation with a Q&A and reviewed next steps, including 2026 multi-year funding considerations.
2. Madeline Novey reviewed this [key takeaways document](#) she put together regarding the 2025 Impact Fund Grant-Renewal Process changes discussed in Jessica's presentation. Madeline also encouraged members to stay informed by engaging with Behavioral Health Services on [Instagram](#) and [Facebook](#).

3. To follow up on an agenda item from the January meeting, Amy Martonis shared that since the TAC has become a smaller group and based on feedback received, the decision to appoint Chair and Vice-Chair positions for the committee is being shelved for the time being. Members were encouraged to fill out the post-meeting survey shared via chat. Amy thanked attendees for their time and input and motioned to adjourn the meeting.
